## Fashion Careers for the Future

Students who enroll in Fashion Merchandising at Dodge City Community College are better qualified for retail and wholesale positions because of the concentrated courses and the opportunity for work experience while attending college.

Fashion shows, club activities, and field trips to the Ebony Fashion Show and the Dallas Apparel Mart add to the knowledge about the fashion industry. This exposure, combined with course work, helps DCCC Fashion Merchandising students compete well with the many millions who work in the retail or wholesale fields.

A Fashion Merchandising background can lead to careers that provide:

- Good Income
- Many Challenges
- Creative Opportunities
- Promotion Opportunities

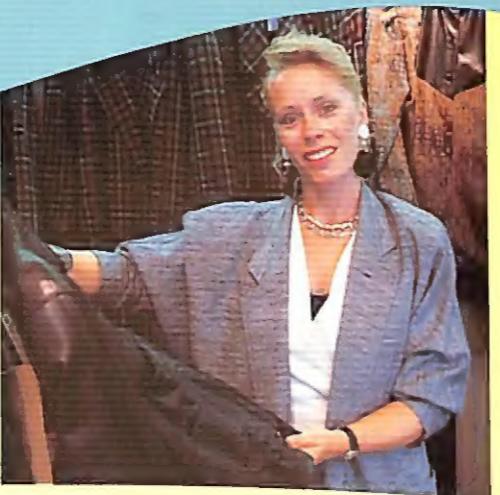

Today's fashion industry needs young people who are willing to work hard and meet the constant changes that fashion brings to our society.

Let Dodge City Community College design a fashion career to match your style! Phone or write today for information about curriculum, housing and financial aid.
